Miss Norino ...!

SFX: pota: drop

Yes

Right now, this town is suffering under a black curse - the Death Curse.

Circumstances?

We were only aware that our fellow Soul Spell-Casters were pursuing someone ...

We, the lower-class casters, were not informed of the struggle between the Luoffis and the Shihou Reijukas.

He told us later that an evil man was after him.

Subsequently, we helped a wounded man and gave him shelter at the temple ...

After that...
the man left...
We didn't understand
the meaning behind
his words.

Then,
neighbors
will continue
to die, if
they do not inform
me!

Read these
words?
Should you
become
enmeshed
with that
man, you shall
suffer his
dark fate!

We searched
for the cause
of the
situation.

Suddenly,
the Tomohiko
user that
we'd given
shelter to
died...

... then,
one by one
the towns-
people began
to disappear.

R...
run.
Norina...

The souls
of those who
had gone missing
were attacking
the townspeople ...

It was the
black art
spell, the
Death
Curse ...

The phantoms
attacked their own
comrades from the
town, one by one,
increasing their
numbers ...

That

"Fausto" ...

He can't
help but to
hold a grudge
against you
two. Hopefully
you'll under-
stand ...

might be
able to for-
give him.

"Fausto" is
a Lucifis
whose name
is a forbidden
curse.

I don't
know what
kind of forbid-
den curse,
but ...

89% KANA CHANDEL

I hate
him.

The seeding
of the
'Beast
Demon of the
South' is
almost
complete.

Has the
Agona can-
yon's 'Land-
mark' been
seeded yet?

It seems that
the neighboring
country of
Selda inter-
fered with the
assassination of
Duke Faroon's
mistress.

The arbitration
special envoy's
request has
come from
Faroon.

There was a
collision with
Lual's demon
preacher's
group in the
Jedda territory
and twelve people
were injured or
killed.

This
way

Nothing
...

Before
... I felt
like some-
one was
watching
us.

What's
the
matter?
?

Wow
...

Huge
mirror
...!

There
was such
a thing inside
the temple?

Sending you Luciff's bastards to a remote backwater area would be more than you deserve.

Cut it out, you twat!

CRITICAL SITUATION

Oh? You want me to do it?!

Like I care.
... An't like you own it, is it?

This is the Summons Shrine, and this, here, is the "Shift Soul Mirror".
Is this the first time you've seen it?

Master Rudus,
Miss Morio

Miss Kishiro

... I really want to thank you.

But
someday
... surely
...

... I will
be able to
repay your
kindness.

Although
I regret that,
as I am now, I am
no help to you.

... and
open the
gate.

I will com-
plete the synchro-
nization of

... ..

...
please
be safe.

Until
the day
we meet
again

Take
care of
yourself!

C'mon!
Hurry the

Move it!!

This is
the first
time I've
been here

Some-
how, I
feel as if
I remember
this place

Isn't
it
strange?

Hey!

Where
are
we?

Where
did Rudeus
and Gashua
go?

SPY DOOR

En?

This is
the first time
I've seen the
real thing!

We seal
all the evil beasts
that the Rejukar
has captured
here.

Old

...
Isn't this
guy a
human?

Didn't
you seal
em prop-
erly(?)

That's
why! Didn't
I say that
this place is
a danger-
ous?

Originally,
he was a reputed
swordman, but an
evil spell was cast on
him and took over
his heart.

In order to
stop him from
running amok,
we had no choice but
to seal him.

Ah.

That's
a dark
sword-
man...

Kash-
ru
...

What
are you
two doing in
a place
like this?

Oh,
here
they
are:
here
they
are!

At any rate,
we had an absurdly
difficult time
sealing him...

You guys suddenly dis-
appeared. We've
been looking every-
where for you!

**SIS-
TER
?!**

S...

My
mistake
... I
apologize.

EP5: 482

You siblings came to
listen to
Master
Kippy.

I am
Ryuun,
a stone
user.

That girl
looks so
much like
my older
sister ...

You're certainly being a little stand-offish, though

I look younger than him!

I don't recall having a decrepit younger brother who looks like you!

I tell you, he's so rude!

Say, Miss Kishinu

... why are you with those children?

Miss Kishinu is a master fortune teller

We met each other on accident and from then on ... I felt like being with them ...

No ... nothing, really ... There isn't a profound reason for it ...

I'll definitely want you to give me a reading later.

This is interesting ...

Hey, hey ...!

Although fortune telling ... is not that reliable ...

Yeah, well, sorry if we turn out to be useless little pets.

So tell me ... how long is the Re- old man jukai planning to lock us in the Summoning Shrine?

As a matter of fact, a mediator messenger from the Luciffis will be coming to this Summoning Shrine tonight.

If we thought that ...

There is a person within the Luciffis who does not wish for a fight with the Reijuka.

My
fortune
telling

...it
a fail-
ure, just
as I
thought

~~~~~

Is it  
all right if  
I kept you  
company for  
a little while  
?

They seem  
calm and healthy,  
don't you think ...  
big sister  
Kishusu?

Well ... I don't  
think you need  
to be with  
those children  
...

That's  
because you lost  
the memories of  
being my older  
sister.

That's  
why those  
kids are

...  
just  
my  
...

That power was  
originally inherited  
by my older sister.

Would you like  
to know why my own  
fortune telling stones  
aren't capable of  
performing read-  
ings?

E  
h  
?  
!

That is  
your real  
name.

Then suddenly,  
an unusual Stone  
User disappeared while  
in the Reijukai ... that  
Master Stone Caster  
was Kishusu Ryuin.

OTO: HADDOCU

Even if you suddenly say those things...

Wait a sec-  
-and!

I see ... so that's how it is ...

!?

I thought it unusual that you were a mere fortune teller.  
That aside, even I was not able to see that disorder.

Old man Cheldavack?!

A very, very short story that isn't worth telling.

However I want to see what kind of person this Master of the Black Arts Spellcasters is!

Heck if I know... I want to hear it, too!

Who... what in the world is he?

...  
Raven  
EFT!!

The mediator faction's representative was old man Chiddovack's number one pupil!

Eh...  
uh...  
...

**TO BE CONTINUED  
NEXT ISSUE**

WILL  
FILL THE  
TWO SIDES  
IN THE  
FACE OF  
ADVERSITY?

THEY HAD  
NOT TO BE  
DECEIVED!
